St. Rita’s South Johnstone

School Welfare Plan

Purpose

As a Catholic school, St Rita’s is committed to providing a safe, respectful and disciplined learning environment for students and staff. St Rita’s strives to provide students with opportunities to engage in quality learning experiences and acquire values supportive of their lifelong wellbeing. Catholic values are the cornerstone of St Rita’s School and are embedded in all practices and policy.

This School Welfare Plan is designed to affirm the right all school community members to feel safe at school, promoting care, respect and cooperation, valuing diversity. With an expectation for high standards of behaviour, students are able to participate positively within our school community. The aim of this school welfare plan is to facilitate effective learning and teaching in our school, building positive partnerships.

School Culture

Our School Welfare Plan provides intervention and response in relation to inappropriate behaviour, building a culture where good behaviour is recognized and celebrated.

At St. Rita’s we have adopted three simple school rules that we feel foster quality learning experiences and encourage high standards of responsible behaviour:

- Be safe
- Be responsible
- Be respectful.

Process

The first step in facilitating standards of positive behaviour is communicating those standards to all members of the school community. Staff, students and parents will be provided access to and knowledge of a clearly stated, and consistently implemented, school welfare plan, which encourages students and other community members to make choices and accept responsibility for their own behaviour.

At St Rita’s we emphasise the importance of directly teaching students those behaviours we want them to demonstrate at school. A key tool in the ongoing development of these behaviours is the school’s social and emotional learning practice and policy. Communicating behavioural expectations is a form of universal behaviour support - a strategy directed towards all students, designed to prevent unacceptable behaviour, providing a framework for effective response. A set of behavioural expectations in specific settings has been attached to each of our three school rules. The Schoolwide Expectations Teaching Matrix below outlines our agreed rules and specific behavioural expectations in all school settings.
These expectations are communicated to students via a number of strategies, including:

- Goal setting at the beginning of each school year, negotiated with students by classroom teachers;
- Reinforcement of learning from class/school goals on School Assemblies and during active supervision by staff during classroom and non-classroom activities.

St Rita’s implements the following proactive and preventative processes and strategies to support student behaviour and welfare:

- Regular provision of information regarding student welfare to staff and parents whenever required via the most appropriate method of communication. The principal offers all necessary support to teachers, parents and students involved. St Rita’s recognises the important partnership between the school and home in all matters.
- Comprehensive induction programs in the St Rita’s School Welfare Plan delivered to new families in the School Handbook, as well as new and relief staff via a staff induction and the Staff Handbook. Existing staff are briefed at the beginning of each year to ensure knowledge of school practice and policy.
- Individual support profiles and journals developed for students with high behavioural needs, enabling staff to make the necessary adjustments to support these students consistently across all classroom and non-classroom settings.

<table>
<thead>
<tr>
<th>SCHOOLWIDE EXPECTATIONS TEACHING MATRIX</th>
<th>ALL AREAS</th>
<th>CLASSROOM</th>
<th>PLAYGROUND</th>
<th>WALKWAYS AND STAIRS</th>
<th>TOILETS</th>
</tr>
</thead>
</table>
| **BE RESPECTFUL**                      | ▪ Use equipment appropriately  
▪ Keep hands, feet and objects to yourself | ▪ Walk  
▪ Sit still  
▪ Enter and exit room in an orderly manner | ▪ Participate in school approved games  
▪ Wear shoes and socks at all times  
▪ Be sun safe; wear a school uniform hat | ▪ Rails are for hands  
▪ Walk one step at a time  
▪ Carry items  
▪ Keep walk ways clear at all times | ▪ Respect privacy of others |
| **BE RESPONSIBLE**                      | ▪ Ask permission to leave the classroom  
▪ Be on time  
▪ Be in the right place at the right time  
▪ Follow instructions straight away | ▪ Be prepared  
▪ Complete set tasks  
▪ Take an active role in classroom activities  
▪ Keep classroom tidy as well as personal work space  
▪ Be honest | ▪ Be a problem solver  
▪ Return equipment to appropriate place at the bell  
▪ Pick up equipment even if you didn’t take it out | ▪ Move quietly during transitions, especially when other classes are still working | ▪ Use toilets during breaks.  
▪ Only go to the toilet during class if it is absolutely necessary  
▪ Leave the toilets tidy  
▪ Use soap and paper products wisely |
| **BE SAFE**                             | ▪ Respect others’ personal space and property  
▪ Care for equipment  
▪ Clean up after yourself  
▪ Use polite language  
▪ Wait your turn | ▪ Raise your hand to speak  
▪ Respect others’ right to learn  
▪ Talk in turns  
▪ Be a good listener | ▪ Play fairly – take turns, invite others to join in and follow rules  
▪ Care for the environment – pick up any litter | ▪ Walk quietly and orderly so that others are not disturbed | ▪ Wash hands  
▪ Walk  
▪ Toilets are not to play in |
All documentation concerning student welfare is archived by the school in accordance with CES policy.

At St Rita’s communication of our key messages about student welfare and behaviour is backed up through reinforcement, which provides students with feedback for conducting themselves in an appropriate manner. A formal recognition and monitoring system has been developed. This reinforcement system is designed to increase the quantity and quality of positive interactions between students and staff. All staff members are trained to give consistent and appropriate acknowledgement and rewards.

**Positive Notice**

Staff members hand Positive Notice cards out each day to students they observe following school rules in both classroom and non-classroom areas. This reinforcement occurs continuously throughout the day. When they ‘catch’ a student following the rules they can choose to give them a Positive Notice card. When students are given a Positive Notice card they drop the card in one of the designated collection points at the following locations:

- School office
- Library

Each Monday the principal reviews the submitted cards and identifies students with a minimum of five cards. These students are issued with a voucher that can be redeemed at the tuckshop. Each five-card set is then removed and tallied, with a more powerful reinforcer available for 50 cards and 100 cards. Cards are never removed as a consequence for problem behaviour.

**Assembly Awards**

At assemblies, held fortnightly, students are recognised in each class for exhibiting positive behaviour in the areas of learning and the manner in which they conduct themselves and demonstrate the school spirit.

**Responding to unacceptable behaviour**

As a Catholic school, we support the emotional, spiritual and academic growth of every child. Students come to school to learn. Providing an environment, which is conducive to learning for every student, is key at St Rita’s. Therefore, there needs to be a clear process for responding to behaviour that in anyway interferes with this goal.

**Minor and major behaviours**

When responding to problem behaviour the staff member first determines if the problem behaviour is major or minor, with the following agreed understanding:

- **Minor** problem behaviour is handled by staff members at the time it happens
- **Major** problem behaviour is referred directly to the principal

**Minor** behaviours are those that:

- are minor breeches of the school rules
- do not seriously harm others or cause you to suspect that the student may be harmed
- do not violate the rights of others in any other serious way
- are not part of a pattern of problem behaviours
- do not require involvement of specialist support staff or Administration.

Minor problem behaviours may result in the following consequences:

- a minor consequence logically connected to the problem behaviour, such as complete removal from an activity or event for a specified period of time, partial removal (time away), individual meeting with the student, apology, restitution or detention for work completion.
• a re-direction procedure. The staff member takes the student aside and:
  1. names the behaviour that student is displaying,
  2. asks student to name expected school behaviour,
  3. states and explains expected school behaviour if necessary
  4. gives positive verbal acknowledgement for expected school behaviour.

**Major** behaviours are those that:
• significantly violate the rights of others
• puts others / self at risk of harm
• requires the involvement of the principal.

Major behaviours result in an immediate referral to the principal because of their seriousness. When major problem behaviour occurs, staff members calmly state the major problem behaviour and remind the student of expected school behaviour. The staff member then fills out the appropriate form to be filed in the behaviour folder and escorts the student to Administration.

Major problem behaviours may result in the following consequences:
• **Level One:** Parent contact, time in office, alternate lunchtime activities, loss of privilege, loss of break times, warning regarding future consequence for repeated offence  
  AND/OR
• **Level Two:** Parent contact, referral to School Counsellor, referral to principal and School Development Officer, suspension from school may be considered
• **Level Three:** Students who engage in very serious problem behaviours such as major violent physical assault, can expect to be recommended for exclusion from school following an immediate period of suspension.

*Only in the most extreme circumstances will suspension be considered as an option. For further information regarding suspension please refer to the Catholic Education Cairns website.*

*Expulsion is a serious and considered process, used only as a last resort. It is only imposed after a wide range of options has been explored, consistent with the inclusive values of Catholic Education. Expulsion is the decision of the Executive Director of Catholic Education and the Bishop, under recommendation from the Principal.*
The following table outlines examples of major and minor problem behaviours:

<table>
<thead>

**Emergency or critical incident responses**

It is important that all staff have a consistent understanding of how to respond to emergency situations or critical incidents involving severe problem behaviour. This consistency ensures that appropriate actions are taken to ensure that both students and staff are kept safe.

An **emergency situation or critical incident** is defined as an occurrence that is sudden, urgent, and usually unexpected, or an occasion requiring immediate action.

**Severe behaviour** is defined as behaviour of such intensity, frequency, or duration that the physical safety of the student or others is likely to be placed in serious jeopardy.

**Basic defusing strategies**

*Avoid escalating the problem behaviour*

(Avoid shouting, cornering the student, moving into the student’s space, touching or grabbing the student, sudden responses, sarcasm, becoming defensive, communicating anger and frustration through body language).
Maintain calmness, respect and detachment
(Model the behaviour you want students to adopt, stay calm and controlled, use a serious measured tone, choose your language carefully, avoid humiliating the student, be matter of fact and avoid responding emotionally).

Approach the student in a non-threatening manner
(Move slowly and deliberately toward the problem situation, speak privately to the student/s where possible, speak calmly and respectfully, minimise body language, keep a reasonable distance, establish eye level position, be brief, stay with the agenda, acknowledge cooperation, withdraw if the situation escalates).

Follow through
(If the student starts displaying the appropriate behaviour briefly acknowledge their choice and re-direct other students’ attention towards their usual work/activity. If the student continues with the problem behaviour then remind them of the expected school behaviour and identify consequences of continued inappropriate behaviour).

Debrief
(Help the student to identify the sequence of events that led to the inappropriate behaviour, pinpoint decision moments during the sequence of events, evaluate decisions made, and identify acceptable decision options for future situations).

Physical Intervention
Staff may make legitimate use of physical intervention if all non-physical interventions have been exhausted and a student is:

- physically assaulting another student or staff member
- posing an immediate danger to him/herself or to others.

Appropriate physical intervention may be used to ensure that St Rita’s duty of care to protect students and staff from foreseeable risks of injury is met. The use of physical intervention is only considered appropriate where the immediate safety of others is threatened and the strategy is used to prevent injury.

Physical intervention can involve coming between students, blocking a student’s path, leading a student by the hand/arm, shepherding a student by placing a hand in the centre of the upper back, removing potentially dangerous objects and, in extreme situations, using more forceful restraint.

It is important that all staff understand:
- physical intervention cannot be used as a form of punishment
- physical intervention must not be used when a less severe response can effectively resolve the situation
- the underlying function of the behaviour.

Physical intervention is not to be used as a response to:
- property destruction
- school disruption
- refusal to comply
- verbal threats
- leaving a classroom or the school, unless student safety is clearly threatened.
Any physical intervention made must:
- be reasonable in the particular circumstances,
- be in proportion to the circumstances of the incident
- always be the minimum force needed to achieve the desired result, and
- take into account the age, stature, disability, understanding and gender of the student.

Record keeping

Each instance involving the use of physical intervention must be formally documented. The following records must be maintained:
- St Rita’s Catholic School Behaviour Referral Form (Appendix A)
- Incident report (Appendix B)
- Debriefing report (for student and staff) (Appendix C).

Appendix C
Debriefing Report

Formal debriefing should be led by a staff member trained in the process who has not been involved in the event. The goals of debriefing are to:

- Reverse or minimise the negative effects of physical intervention
- Prevent the future use of physical intervention
- Address organisational problems and make appropriate changes

Notes on the discussion that occurs during the debriefing report are not required to be documented, however a note should be made that the debriefing has occurred for both staff and students involved (e.g. names, date, time and outcomes).

Debriefing should provide information on:

- Who was involved
- What happened
- Where it happened
- Why it happened
- What we learned

The specific questions we want to answer through the debriefing process are:

- **FACTS**: what do we know happened?
- **FEELINGS**: how do you feel about the event that happened?
- **PLANNING**: what can/should we do next?

Questions for staff

- What were the first signs?
- What de-escalation techniques were used?
- What worked and what did not?
- What would you do differently next time?
- How can physical intervention be avoided in this situation in the future?
- What emotional impact does using physical intervention have on you?
- What was your emotional state at the time of the escalation?

Questions for student

- What was it that you needed?
- What upset you most?
- What did we do that was helpful?
- What did we do that got it that way?
- What can we do better next time?
- Is there anything that you would do differently?
- Would you do something differently next time?
- What could we have done to make the physical intervention less invasive?

For students who have language or communication difficulties the debriefing process will need to modified to accommodate their specific receptive and expressive needs.
