

## **St Rita's School, South Johnston President's Report 2016**

Well I must say that 2016 has been a very busy and successful year.

I am not going to thank anyone individually as chances are someone will get left off the list. Instead please know that a huge thanks goes to everyone that helped no matter how small. Any help goes a long way.

Our usual events of Mothers Day Morning Tea, Strawberries and Cream and Melbourne Cup Luncheon were all well organised and met our high expectations. This year we also did some extra fundraising activities including a lamington drive, pie drive and Christmas cake drive. We also had a disco and cake stall at the PCYC. Our Father's Day Raffle this year alone raised \$3000 – a huge effort!!!

This year the P&F have made the following donations to the school –

Outdoor tables \$\$3300  
Home readers \$2100  
Classroom chairs \$2400  
The Root Cause – green van \$1000

Successful at Parent Education Fund again this year \$1000 – Mark Davidson – school paid other half and teachers had session with him as well.

He has also approved payments towards –

Classroom set of Chrome Books  
Robotics items  
Prep furniture

I have enjoyed holding the position of President again this year, however will be stepping down for 2017. Thank you.
