### CATHOLIC EDUCATION WEEK 2014

Dear Parents/Caregivers,

Welcome to **Catholic Education Week 2014.**

Here are some words to think about as we participate in this special time with all Catholic Schools throughout Queensland.

***Celebrate, how I live fully, reaching full potential – spiritually, intellectually, emotionally, socially, culturally and physically, becoming the best version of ourselves.***

In a nutshell, these simple terms sum up what **Catholic Education Week** is all about. Reflecting on the Gospel call, '**Come, live life in all its fullness**', Catholic schools strive to provide learning experiences through which every young person has the opportunity to reach their full human potential – in other words, to be the best that they can be.

Through individual personalities and personal life events, the goodness of God takes on a melody all its own. The song of God needs an instrument to give it shape and voice..... we as part of Catholic Education are called to be instruments through which the melody of God takes shape and we celebrate the fullness of life.

Through our lives – in our words and actions, God's love seeks to be visible. It seeks to be seen as vibrant and fulfilling.

***We know that God's invitation to Come, Live Life in all its fullness is accepted when :***

We celebrate the achievements of all in our school

We sense God's guidance and wisdom being played through our tasks

We are aware of god's prayerful presence playing a song of harmony amid the rush of life

We strive to be the best we can be and we embrace life joyfully

We reach out in love to those in need

***We know that we can be the best version of ourselves when we accept your invitation to Come, live life in all its fullness. Lord, we thank you:***

For the talents and the abundance of gifts that are ours,

For the faith that stirs and grows in our hearts....

For the many people who have been your instruments of goodness in our lives....

For the moments when we have known your presence in a special way...

For the times when your goodness has helped us recognise your invitation

***We know that the invitation to 'Come, live life in all its fullness' is not always easy to accept. Lord, help us to trust in you..***

When fear rises up in us and we do not believe in our ability to be your instrument....

When the busyness and schedules of our lives press upon us and create questions about your love for us...

When we doubt your presence in the difficult aspects of our days...

When we lose sight of the truth that we are called to live life and live it fully...

When emptiness, loneliness, and other struggles keep us from hearing your melody of love

## **A SNAPSHOT OF THE WEEK:**

**The following is a list the activities that we will be participating in this week.**

Tuesday – Catholic Education Week Southern Deanery Mass (Hosted by Good Counsel College – 10.30 am)

Wednesday – Colouring-in Competition (Prep to Year 2) - Catholic Education Poster Competition (Year 3 to 7)

Thursday – School Leaders to CEW Mass at the Cairns Cathedral

Friday – Tree Planting Ceremony and Acts of Kindness Day

As you can see, we have a very busy week and hopefully it will be a memorable one for the students as they participate in a variety of activities to celebrate what we do here at St. Rita's as a Catholic school.

After asking the class groups to identify what makes our school special or unique, it was extremely rewarding to listen to their responses with children across all year levels making reference to the fact that we are a school of faith. Every group easily identified the symbols that reflect our Catholic belief system – most importantly the crucifix that can be found in most rooms within our school.

Thank you again, for your ongoing support of St. Rita's and your commitment to our Catholic ethos. Hope you have a great ***Catholic Education Week***.

Peace be with you,  
Denise

May the blessing of joyous enthusiasm  
for life, and appreciation of  
gifted friends, grace our steps today.

## **CONGRATULATIONS**

We would like congratulate Gemma Doolan, Rebecca Piccolo and Caitlin Spinella who recently participated in the 2014 FNQ School Futsal Titles.

They have been selected to represent FNQ in the National School Futsal Championships in Melbourne later this year. Well done girls!

## **Positive Parenting**

So did anyone try any of the delicious dishes on the Flourishing Menu from last week. Remember the healthiest diet is when parents and children put actions into practice as often as they can. This week I have an article for you that focuses on parenting strengths that make a difference. There is a lot to read but if you look at each section carefully you will see some excellent ideas that are quite simple and easy to do. Pick a few little things. Don't try to do too much at once. Have a great week everyone and enjoy your family. (Angela Cristaudo)
