WEEK 4 – TERM 3

## ST RITA'S SCHOOL

SOUTH JOHNSTONE

5<sup>th</sup> August, 2014

Dear Parents & Caregivers,

Following on from **Catholic Education Week**, this week is **National Vocations Awareness Week**. During this week we focus on each person's vocation, especially our primary vocation – the call to holiness. **NVAW** provides an opportunity for all Australian dioceses, parishes, schools, religious communities, youth and campus ministers and other Catholic organizations to focus at the same time on this 'call'. The call to holiness put simply, is the call to become all that God has created us to be, to love the Lord our God with all our heart, mind and soul and to share our gifts and talents for the common good of all society. A vocation within the context of Catholic life means responding to what God calls each of us to be, or do with our lives. Each person is called to discern their response to this call. For some it will be marriage, while for others it will be the priesthood or religious life. It may even be the call to live a single life. We are all called by God to know, love and serve him, the only difference is how each one of us responds to that 'call'.

This all ties in very well with last week's CEW theme of 'Come, Live, Life in all its fullness.' Speaking of **Catholic Education Week**, thank you to the 12 School Leaders who accompanied me to mass at the Cathedral in Cairns last Thursday. It was a wonderful celebration and their participation and behaviour was exemplary. The highlight of the day was the concert that we attended with Michael Mangan himself, in the afternoon at St. Monica's College and also listening to the inspirational life story of Annabel Pike- a profoundly deaf young woman who has accomplished a lot in her career as a nurse and winner of the Pride of Australia medal.

A very fitting end to last week's celebration was our very own Santina Lizzio winning the Docemus Award for the School Officer category. These annual awards for the Cairns Diocese were established in 2002 to honour the memory of Tom Doolan in recognition of his outstanding contribution to Catholic Education. These awards acknowledge and celebrate the exceptional commitment, achievement and contribution to Catholic Education by members of its community. Santina is certainly a very worthy winner of this prestigious award for her continuous and tireless effort working with the children, the staff and the parents of our school over the past 28 years. St. Rita's is very proud of all she has achieved personally and professionally during this time. Santina was presented with a framed certificate commemorating this special award on Friday night at a ceremony at Rydges Hotel in Cairns along with the winners of the five other categories. Congratulations Santina and well done!

This Thursday night Good Counsel Primary School is hosting another evening with Maggie Dent – well known parent educator and author. Maggie's 'tell it like it is' attitude and fantastic sense of humour makes her informative sessions not only worthwhile but extremely

reassuring and entertaining. This invitation to attend has been extended to the St. Rita's school community free of charge courtesy of the Good Counsel Primary and College P& F. It is most definitely an opportunity not to be missed. Please read carefully the following messages as they contain important information in regard to events that are happening this week – particularly the changes to sports days and information about The Ned Show. Hope you have a wonderful week. Peace be with you, Denise

### WHAT'S THE GO WITH THE NED SHOW ?

Last Friday at 11.30am the children attended **The Ned Show** which was presented at the South Johnstone State School. Due to a genuine oversight this failed to be advertised through the newsletter last week. I would like to take this opportunity to sincerely apologize for any inconvenience or undue stress this has caused among our parent group. Please rest assured that the children were well supervised and travelled along the same route that would normally be taken as if walking up to Chap Chappa Park for our sporting activities. If parents would like to discuss the matter further, please feel free to make contact through the school office.

From all accounts, **The Ned Show** was a fantastic presentation that combined a positive message with humour, storytelling, audience participation and memorable object lessons like yo-yo and magic tricks.

The assembly taught students how they can develop three valuable characteristics to become ***Champions at school and in life !***

The likeable character, **NED**, and his message, are an inspiration for all ages and we look forward to the lasting and positive impact it will have on our students and our school.

***STUDENTS ATTENDED THE NED SHOW PRESENTATION FREE OF CHARGE.***

## QUICK FACTS

1. **NED messaged items will be available for purchase this week following the show.**  
These fun, old-fashioned, no-batteries-needed products ( eg. yo-yos) are tangible ways for children to keep NED's message in motion long after the presentation.
2. **Thanks to the 'Pay-It-Forward' Payment Option**, sales at another school made it possible for NED to visit at NO COST. If you choose to purchase a NED item, you will help send the positive message on to more children.
3. **Visit [www.theNEDshow.com](http://www.theNEDshow.com)** for FREE resources and ideas for ways to incorporate NED's message at home. You'll find sheets, how-to videos and contest opportunities for your children and a variety of options for parents.
4. **At [videos.theNEDshow.com](http://videos.theNEDshow.com)** discover fun learn-to-yo-yo videos ( taught by a 12 year old) or product demonstration videos at **[youtube.com/NEDucationalTV](http://youtube.com/NEDucationalTV)**.

**DETAILS OF YO-YO PRICES WILL BE SENT OUT TOMORROW. NED merchandise will be on sale every morning this week in the lunch area before school.**

## Positive Parenting

What do we want for our children in areas other than doing well in school? What kind of people do we want them to become? How can we make sure that our children have a balance in their lives so they are both achieving the best they can while at the same time experiencing the highest levels of well-being.

The 5 keys to success are Confidence, Persistence, Organisation, Getting Along and Resilience. Please find a copy of these 5 keys for your reference and to help you at home.

Have a great week every one and enjoy your family.

## SCHOOL FEES

### IMPORTANT INFORMATION

Finally after three weeks we are using our new systems, EMinerva and Dynamics. Last week, with the experts beside Jenni, Term 3 School Fees were generated and emailed to all families. Please check your emails for your invoice.

**PLEASE CAREFULLY CHECK YOUR INVOICE** to make sure all is correct. If you have any queries please see Jenni.

If you haven't received it please notify the school office immediately.

Please note the following:

- **Direct Debit** - for those who pay via Direct Debit, please note the bank account and your reference number has changed. If your Direct Debit was set up via **your** personal online internet banking **please update your Direct Debit details before your next payment.** If your Direct Debit was set up by the school office through CDF then the changes have already been made for you.
- Your new fee statement will now contain a **numeric customer reference rather than the former family code e.g. TAYLORJ.** When paying your account via the internet or at your bank, you **MUST** use your new **numeric customer reference.**
- The system will address the fee statement to the primary caregiver which is often the Mother or Female Guardian unless we have other arrangements formalised. Although the fee statement is addressed to an individual, the financial obligations undertaken by parents at the time of enrolment, or any more current fee paying agreement, will still stand. Where there is a change in the relationship between parents/guardians, notification of any change in financial obligations must be provided to the school. The documented change must be signed and acknowledged by all parties involved.
- BPay will be introduced from Term 4.
