JESUS TOOK HER BY THE HAND

Modern archaeologists have identified the house of Simon and Andrew in Capernaum, very near the synagogue. An attractive new church has been

built over it with a glass floor, so that from inside the church it is possible to look down into the ruins of the house. There Jesus repaired after the synagogue service. He cured Simon's mother-in-law of her fever, and had a meal with them. Then he was swamped by the locals crowding round the door.

Early next morning, he escaped to be alone with his Father. Whenever the evangelists note that Jesus

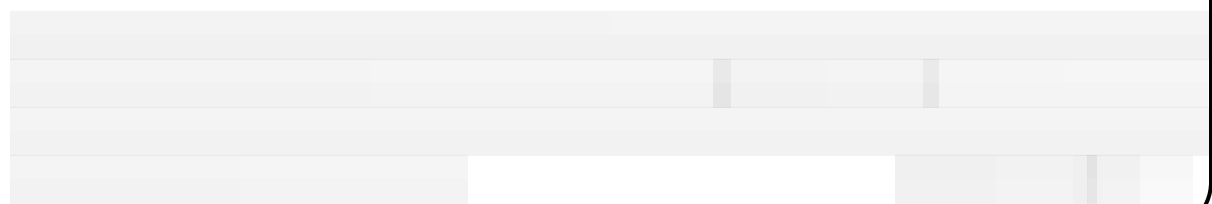

spent time with the Father, a new development is to be expected. And so it is here—he is about to begin his wandering Mission, to preach the Good News to all who will listen. That is why he came.

And so it must ever be the mission of the Church he founded. There must always be a restless yearning to bring the message to those who have not heard it or have heard it ill.

ORDINARY TIME**

ADORATION OF THE BLESSED SACRAMENT

Tuesday 10 February ~ 4pm - 5pm
in the **Prayer Room, Parish Centre**

The Pastor's Pen

Preparations are well under way for the final session of the **Synod on the Family** and I am delighted to share that interested parishioners have thrown themselves into reading the 'relatio Synodi' and so now have an idea of the issues that have been discussed so far. The 'user friendly' questions provided by Archbishop Mark Coleridge have focused thinking and discussions.

Interestingly locally, I haven't heard much on the issues relating to gay Catholics, divorced and remarried Catholics and those wishing to live in same-sex relationships.

I sense the excellence of this process is that, at the grass roots the rank and file parishioners have been consulted and have had the opportunity to be a part of it. In our findings we may not come up with any new or fresh insights but we have been considered and included. The fact that those who chose to be active means we will anticipate the final outcome and not only look forward to the findings but also will have a sense of ownership of the Synodal Document, which resulted, while working with our Pontiff who without a doubt has discerned that the **FAMILY** is **THE** priority of his Pontificate.
