## WEEK 6 - TERM 1

### ST RITA'S SCHOOL SOUTH JOHNSTONE

4<sup>th</sup> March, 2014

Dear Parents and Caregivers

Due to our children being part of the St. Patrick's Day Concert at the shire hall on the night of the 17<sup>th</sup> March, the next P & F meeting will now be **NEXT** Monday night, 10<sup>th</sup> March, in the school library. If you have a major agenda item please come and let me know. More information about St. Patrick's concert will come home in the next week.

This Wednesday is Ash Wednesday. All are invited to attend mass at 11.30a.m.

Last week the interview process was completed for April's replacement for when she goes on maternity leave. As you will be aware the person has big shoes to fill. Recommendations have been forwarded to Catholic Education and we will hopefully be able to make an announcement next week. We hope to start the new teacher this term, so she can become familiar with the children, parents and school, as well as liaise with April as to the needs of the children.

Some very exciting news: the covered walkway construction will begin this week weather pending. Duncan informed me today that the steel has been delivered across the road and the safety fence will be erected in the coming days. This will mean that the back double gate will have to be unlocked to allow access from the back street.

On the weekend the Prime Minister opened a new wing of the Australian War Memorial, dedicated to animals that have served in war. During the ceremony one of Miss Lizzio's poems, "*Animals of War – We Will Remember Them*", was recited. This poem is going to be engraved on a monument to be unveiled next year in Brisbane. We are extremely lucky to have her working with our children and extending their passion for writing. The pieces of work the children are creating under her guidance are of a very high standard.

This Friday on assembly the school leaders will be presented with their badges. Friday night will also be our first social night of the year with a meet and greet night for parents and a movie for the children.

The children can bring a blanket and pillow along. It would be great to have as many people come along as possible. RSVP's are due tomorrow.

I have some secondhand children's desks for sale. Some have a tub and some don't. Please see me if you are interested in purchasing one. We also have a Dell Computer and printer for sale for \$60 (the lot).

We have been notified that Joshua De Munari, a former student, (Year 7, 2011) has been selected in the Australian Schoolboys Cricket Team to tour Sri Lanka during the year. I have sent him good wishes from everyone at St. Rita's. Whilst he was here he made the Queensland team.

I wish to draw your attention to the attached letter Nationally Consistent Collection of Data- School Student with a disability. This will involve a number of children in our school who do not necessarily have an identifiable disability. The range includes physical, emotional, cognitive, social and sensory disabilities. Children may have little or no education adjustments. Please read the attached letter and if you do have any concerns about your child/children come and see me.

Have a great week. God bless.

Vicki

## RELIGIOUS EDUCATION NEWS

### PANCAKE TUESDAY

Today we celebrated **Pancake Tuesday** (also known as Shrove Tuesday) because it is the last day before the period of **LENT** begins.

As **LENT** is traditionally a time of abstinence, of giving things up or self sacrifice, **Pancake Tuesday** is the last chance to indulge a little. Pancakes are eaten on this day because they are typically rich in fat, butter and eggs which historically were foods forbidden during **LENT**.

**Thank you to all those who helped or supported our 'CARITAS CAFE' – our first fundraiser for Project Compassion.**

### ASH WEDNESDAY

Tomorrow we begin our Lenten journey with **Ash Wednesday** which marks day one of our forty day experience as we prepare to celebrate **Easter**.

Our Whole School and Parish Mass for **Ash Wednesday** is at **11.30** in the **Church** and our celebrant will be Fr Kumaradhas. At this special mass a cross of ashes will be placed on our

foreheads . This is a powerful sign of our belief in God and serves as a reminder of our promise to follow Jesus. Quite simply when we receive the ashes we remember that we are members of God's family and that we are called to be faithful to the gospel through our words and actions.

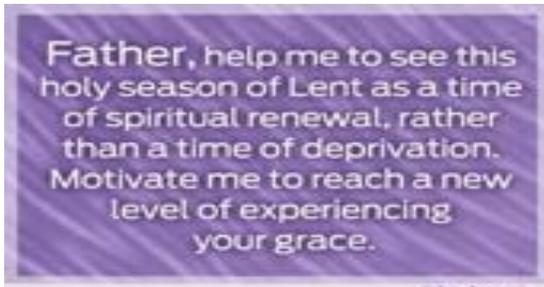

## **SO LENT BEGINS TOMORROW !**

In some ways, **LENT** is the most famous of all the Church's seasons. People generally seem to know a lot about it. Perhaps because it lasts for 40 days and is a fairly serious time as we recall the period that Jesus spent in solitude in the desert before he began his preaching ministry.

For us, **LENT** is a time of self-examination and self-renewal. We are encouraged to think about what the gospel means to us and to think about how well we are living up to God's law of love.

**LENT** is celebrated by Catholics of all ages and is characterised by three main components : *prayer, fasting and almsgiving*. In a nutshell, this means that it is a time for us to try to become more prayerful, to make our lives simpler and to share what we have with those who are in need. Our commitment to Project Compassion is a wonderful way to achieve the latter.

## **FYI : A FEW INTERESTING FACTS.....**

- Last year's palms are burned to make the ashes for Ash Wednesday
- The colour purple is the colour for the season of Lent
- Many people choose to observe a 'no meat on Fridays' rule during Lent
- Lent ends on the evening of Holy Thursday

## **PROJECT COMPASSION NEWS :**

**Week One - MARISTELY FROM BRAZIL**  
Maristely, 18, lives in a favela (slum) in Sao Paulo, Brazil with her family.

*Dark and cramped, favelas are often built on land affected by floods and landslides.*

*Caritas Australia's partner, the Movement for the Defence of Favela Residents ( MDF), is changing*

*lives across 40 favelas in Sao Paulo. MDF understands the difficulties of favela life such as dense population, a lack of available jobs, constant threat of eviction and widespread poverty. Through MDF, Maristely's family along with thousands of others, now has access to clean water, electricity and connected sewerage. They also have a certificate of home ownership which means they can no longer be evicted.*

*Across the favelas, there is a dominant culture of violence. The MDF program promotes peace so young people can attain education and employment; rather than joining local gangs. Through this program, Maristely has become a young leader, while improved living conditions means her family are now enjoying a full life.*

*" Being a part of MDF has given me an awareness of my dignity... I know that to live in a favela is nothing to be ashamed of," said Maristely.*

**View a short film online about life in the favelas of Brazil and the story of change in Maristely's community at :**

May your Lenten journey be one of personal change and great fulfilment.

Peace be with you,  
Denise

## DATE CLAIMER – ST RITA'S FETE SATURDAY 31<sup>ST</sup> MAY, 2014

This year we will be having our fete, which again will be a 'Country Fair'. It has been scheduled for **Saturday 31 May** from 4pm to 9pm.

LOTS of help is needed to organise such a big event, but it is very worthwhile as all monies raised goes towards paying for extra resources and bettering the facilities for our children.

Fetes have proven to need a 'whole of school' effort. Any help, no matter how small, all counts towards making this event successful.

**Its time to start thinking about** - potting plants for the Plant Stall; gathering/making items for the Arts & Craft Stall (maybe Nonna/Grandma can be of help here); gathering Cent Sale prizes; approaching any business contacts you may have to gather sponsors for Monster Goose or Tug-of-War prizes;

You may have an idea for another stall or game, or contacts in a relevant business.  
**Please don't hold any ideas back !!**

## TUCKSHOP

The tuckshop menu can be located on the school's website:

<http://www.stritascps.qld.edu.au/>. The menu is a menu for the whole term. Please visit the site and print out the menus as you need them. Orders need to be in by **Wednesdays at 3pm**.

The teachers are giving their precious time and are all parents a well. Abuse of the facility may see your children being disallowed useage.***

The facility operates from Monday to Friday. A teacher will be on duty each day until **4.30pm**.

## Nationally Consistent Collection of Data on Students with Disability - 2014

All schools in the Cairns Catholic Diocese are participating in the nationally consistent collection of data on students with disabilities during the 2014 year.

### Who is overseeing the data collection?

A national steering committee has been established to collect the data. This committee includes representatives of state and territory education authorities, representatives from the Catholic and Independent school sectors at the national level, the Australian Curriculum, Assessment and Reporting Authority (ACARA) and the Standing Council on School Education and early Childhood (SCSEEC).

### What information is collected?

Information includes the type of disability, the level of adjustment provided and the number of students receiving each level of adjustment. A student is only included in the data collection if he/she meets the definition of disability under the Disability Discrimination Act 1992 and the school has evidence of this.

### Why is this happening?

Previously, different states and territories were collecting information on school students with disabilities in different ways. Nationally consistent data informs future planning by governments and education authorities to better support the participation of students with disability in schooling on the same basis as other students, as intended by the Melbourne Declaration (2008) educational goals for all young Australians. A nationally consistent approach for collecting data on school students with disability enables the number of students with disabilities to be collected and reported in a valid and reliable way.

### When is the data being collected?

Data is collected from government and non - government sectors and at both primary and secondary levels from across Australia. Collection

Is taking place during a ten week period beginning in

April and is to be submitted in the August Census,

2014. Catholic Education Services - Cairns Diocese

is working with schools to ensure the data is collected in the most efficient way and with minimal impact on schools.

### What will this mean for my child?

The data collection has no direct impact on your child. Students are not involved in any testing process.

Trained school staff collate information already available in the school and information provided to the Federal Government will not identify individual students.

Parents who do not wish their child to participate in the data collection can notify the school.
