## ST RITA'S SCHOOL SOUTH JOHNSTONE

**We will all feel like this after  
Saturday!!**

And it will all be over for another two  
years.

Let's please all pray for fine weather for  
Saturday.

Below is a checklist of things that you may  
need to remember or be aware of –

- Bring in any **Cent Sale** items **BEFORE Wednesday**
- **Nominate your team for Tug-of-War ASAP, not on the night.**

- Bring in your **Trash & Treasure** items; **plant/produce** items; and **craft** items
- Bring in any **cakes/sweets** to the **tuckshop** on **Friday/Saturday morning**
- Maybe you could sell **Monster Goose** tickets in town one day through the week for an hour?
- Bring in any **fluro lighting** on leads (marked with your name)
- Make a big effort to sell your book of **Monster Goose** tickets.
- Return all **Monster Goose** tickets, sold or unsold to the office by Thursday.

Here is a timetable of things happening this week. Maybe there is something you can help with. Everyone is welcome:

- Tuesday – signs to be sorted/made for stalls
- Wednesday - wrapping of Cent Sale
- Thursday – cooking day in the tuckshop
- Thursday – cold room arrives
- Thursday — bane marie & slushie machine needs to pick up from Collins Catering; slushie machine needs to pick up from Mourilyan SS;
- Friday – **SETUP** of FETE – marquees, tables, chairs, fencing, tug-of-war, set up of BBQ/chip area; stacking cold room; setting up all stalls, cent sale prizes, monster goose display; setting up of games; pricing of items (plants, trash & treasure, cakes, novelties) etc etc etc
- Saturday – someone needs to pick up hired tower lights from Coates Hire in Innisfail (& maybe one from Cairns);
- Saturday – finale touches to set up; pre-cooking of chips; cooking pasta/rice etc

- 3.45pm Saturday – Managers or Main Stall workers to be present to take possession of floats etc
- After 9pm Saturday – Pack up most things
- Sunday – Clean up

We still need more volunteers to help clean up on Sunday (or do an extra big clean up on Saturday night) as some regular Sunday helpers are busy with Rep soccer.

**Remember any little bit of help goes a long way to making this a success. Lets hope we raise lots of money to put towards our students' resources. They'd love that new playground!**
